

Restoration of Matter of Human Being by Concentrating on Number Sequence - Part2

level at which the creation of human matter is fulfilled on spiritual basis. Figures make it possible to get the exact spiritual state, corresponding to the norm of human matter. To strengthen the control you can use common known, that is well fixed in the collective consciousness, knowledge from physics, about the corpuscular-wave duality of matter, according to which any object can show both its wave properties and particle characteristics of matter. Creating the light waves by concentration on the number sequence corresponding to the normal human matter, you create normally functioning human matter.

All the methods of restoration of human matter with the help of concentration on number sequences given in this book can be used with preventive and sanitary purposes, for rejuvenation, and in case of necessity, to restore the matter, regardless of the initial data, on the basis of which the matter is restored. When using the described methods in paragraphs 1-9 in the introduction you can consider the following:

With the aim of prophylaxis it is expedient to make rehabilitation with the simultaneous spreading the effect of concentration on number sequences for the future.

For rejuvenation it is expedient to concentrate in succession at first on the number sequence, located in the content (of the book), taking into account the task of eternal development, and then concentrate on the matter which you are locally rejuvenating.

Restoring the matter of the body, you can perform concentration on number sequences in succession with the help of the various methods given in this book. You can use the number sequences corresponding to the matter being
